RE: Request for Alternative Fuel Corridor Signing

Dear Ms. Mason and Mr. Masters:

Thank you for your letter dated March 14, 2017, requesting signing for alternative fuel corridors in South Carolina as designated by the Federal Highway Administration (FHWA).

My office will review the information provided with your request to determine the feasibility and estimated costs associated with this work. Upon completion of our review, my office will contact you to discuss the appropriate path forward including available funding.

Thank you for contacting my office regarding this matter. If you have any questions, please contact Nick Boozer, State Traffic Operations Engineer, at 803-737-2086.

Sincerely,

Anthony W. Fallaw, P.E.
Director of Traffic Engineering
